These fundamental movement patterns support your child's overall physical literacy and are transferable to ALL other sports and activities! Agility, balance, coordination, strength, flexibility, spatial awareness: Gymnastics has it ALL!

We put Safety First!

With **low coach to athlete ratios (6:1)**, plenty of space to physically distance, and limited total capacity in our facilities, our Return to Play strategy takes a SAFETY FIRST approach to your family's overall experience with the Calgary Gymnastics Centre!
